1. When necessary, amendments may be made with a Decision of the Senate.
2. Classes/exams can also be held on Saturdays and Sunday.
3. Since the registration of the courses at the beginning of each semester will be carried out online, the tuition fees that must be paid by that date must be paid beforehand. Those who do not renew their registration and are not enrolled in the course are deemed to have lost their right to be a student for that semester.
