Dear Students,

Our grant is not sufficient to grant all the quotas we have contracted. For this reason, grants will be distributed by considering the final scores of the students and the diversity of the departments. Students can participate in the mobility without a grant. Please read the call carefully to complete a successful application.

**As the Department of Dentistry and Psychology has been opened last year at International Balkan University, only first and second year students can apply. There are no active students in the third, fourth and final years.
